In submitting the Vernacular Correspondence regarding the Construction of a Chattram at Chamarajnagar received with the Amildar's Z adi No 360 dated 14th February 1891, I beg to request that you will kindly submit the marginally noted Estimates amounting to Rs 1048-15-0 for the orders of the Government with your kind support.

2. Formerly there was a Chattar at Chamrajnagar which being in a dilapidated Condition, was knocked down and the materials were sold for Rs 1226-14-6 out of which a sum of Rs 1000/ is now invested in Government Pro. Notes and the balance remains under the Hoshead of the Institution. Owing to the want of a suitable building the chattar was removed to the

temple of Chamrajeswaraswamy at the Kasba and the travellers are fed there. This is not only inconvenient to the travellers but also it is very objectionable to have the Chattar inside the temple.

3. When the old Palace at Chamrajnagar was dismantled the Palace officer was requested to bring to the favorable consideration of His Highness the Maharaja to grant the Cooking portion of the old Palace called Bidadi for locating the Chattrams. His Highness was pleased to grant it free for that purpose and I beg to submit that the 3 separate Estimates for Rs 1048-15-0 have been prepared not only to repair the present Bidadi but also to have additional rooms built for the use of different castes

4. There are sufficient funds available for repairing the main building which is even now worth about Rs 2000/ I have personally inspected the building and the Estimate prepared with care I beg to request that you will get the Estimate sanctioned early so that the repair of the building, which is now in a very dilapidated condition, may be taken in hand and finished before the Commencement of the rainy season. The want of a separate building for travellers is very much felt at Chamrajnagar.
